

Supply Chain Planning

Hiring Insights

November 2021

The logo features the word "INSIGHTS" in a bold, white, sans-serif font, with the tagline "That Empower You" in a smaller, white, sans-serif font below it. The text is centered within a dark blue circle that has a dotted border. This circle is surrounded by several concentric, lighter blue circles, creating a ripple effect.

INSIGHTS
That Empower You

The logo consists of a stylized orange bird-like icon above the word "snipebridge" in a lowercase, orange, sans-serif font.

Supply Chain Planning is a vital aspect of every business to gain deep insights, reduce costs & improve customer outcomes. Leading ISVs in this space are thriving by offering advance technology solutions to map out the end-to-end digital supply chain backed by the right data and algorithms.

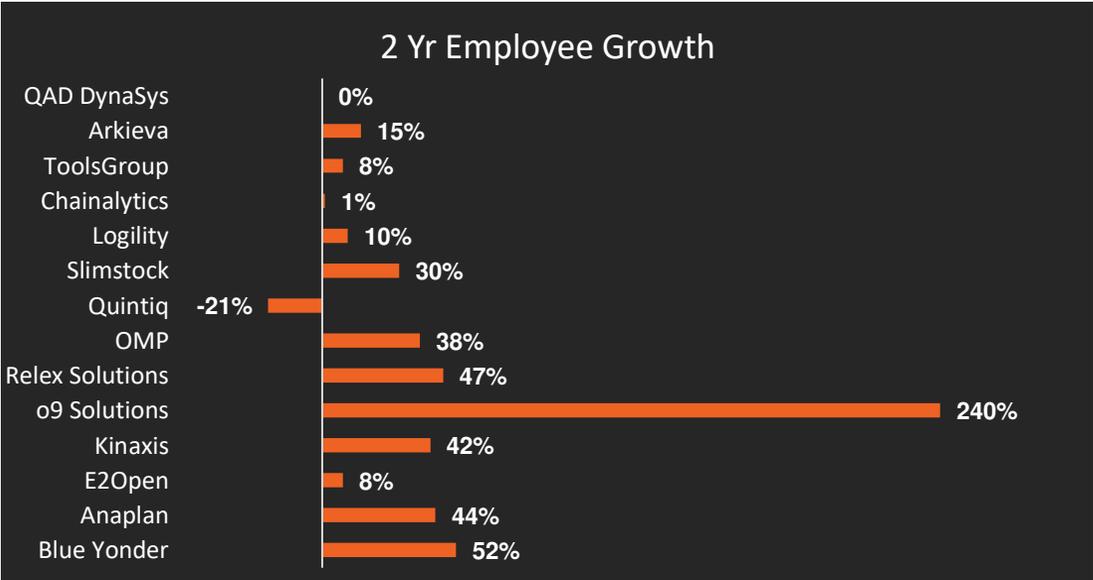

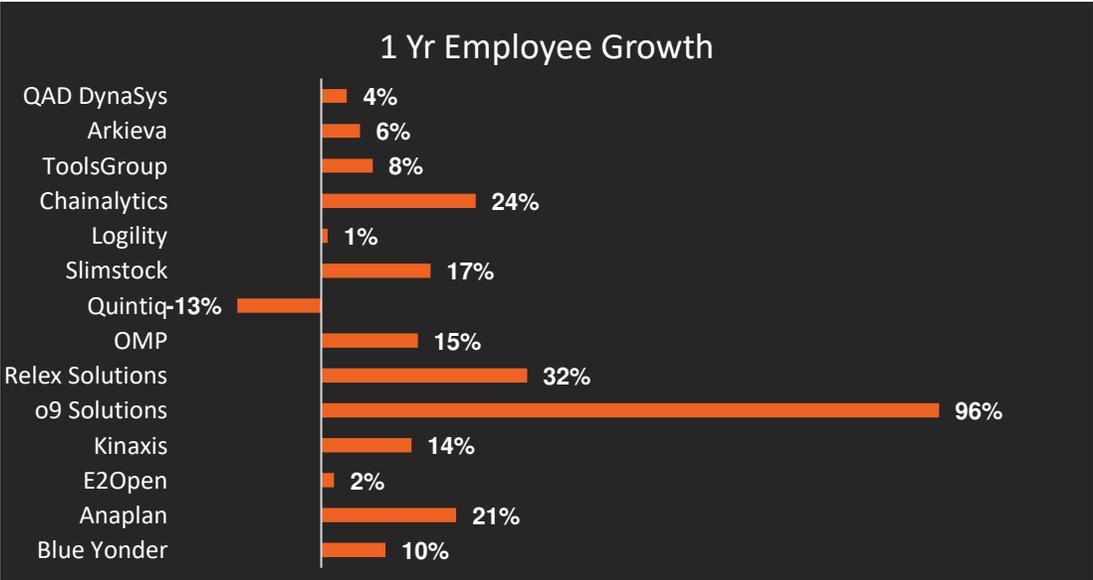

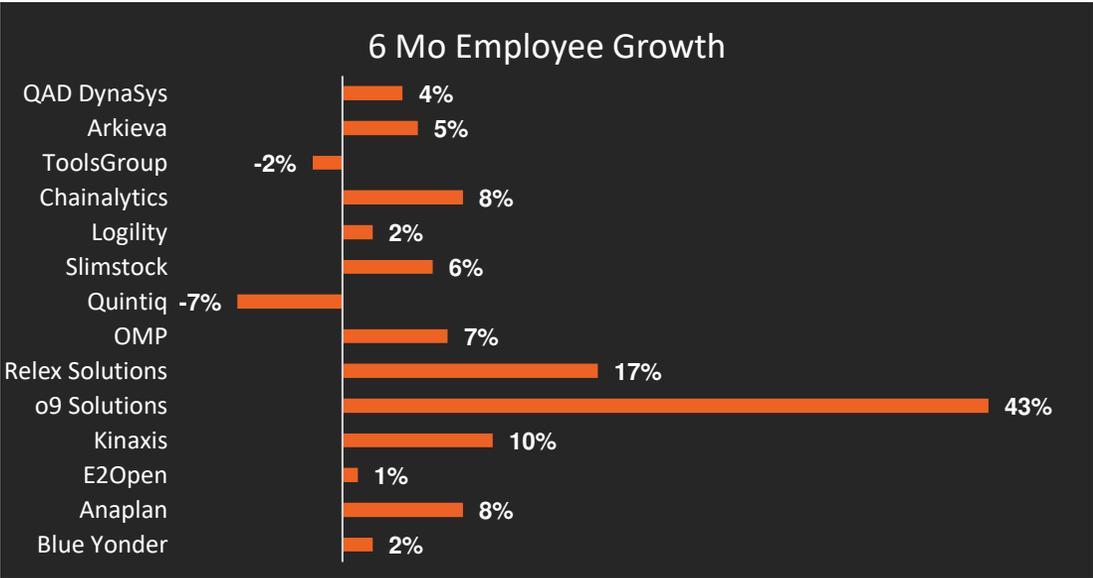

Having the right talent to build and implement these planning solutions has become extremely challenging as all the companies continue to push the envelope and hit their lofty growth targets.

SNIPEBRIDGE has put together some exciting insights on hiring trends across the leading Supply chain Planning ISVs. Our comparisons can help you understand how your recruiting teams are doing viz-a-viz your competition and where they need to focus going forward.

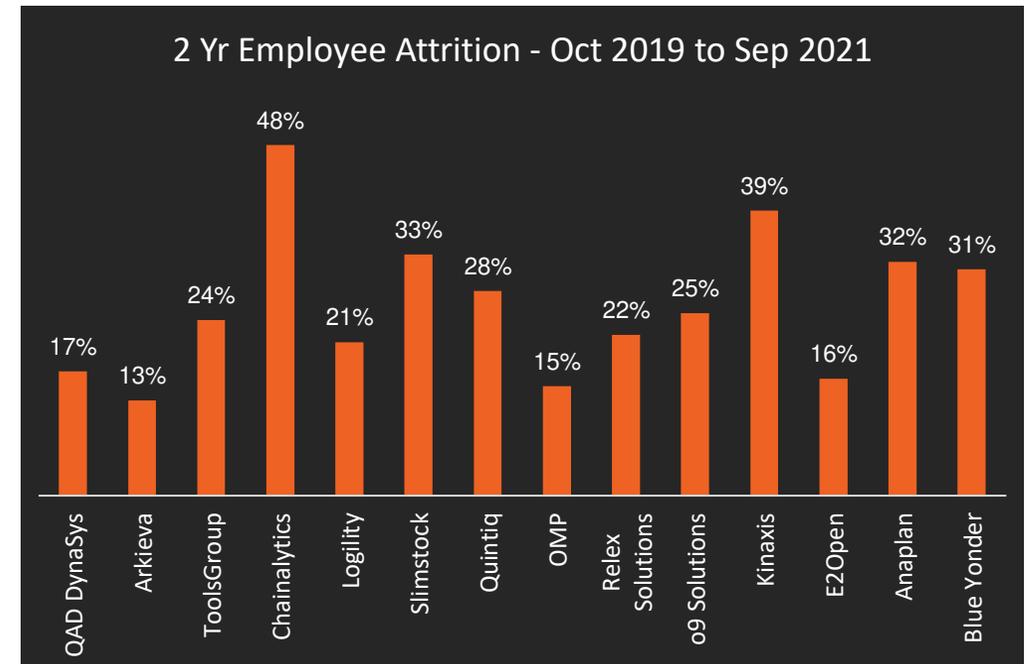

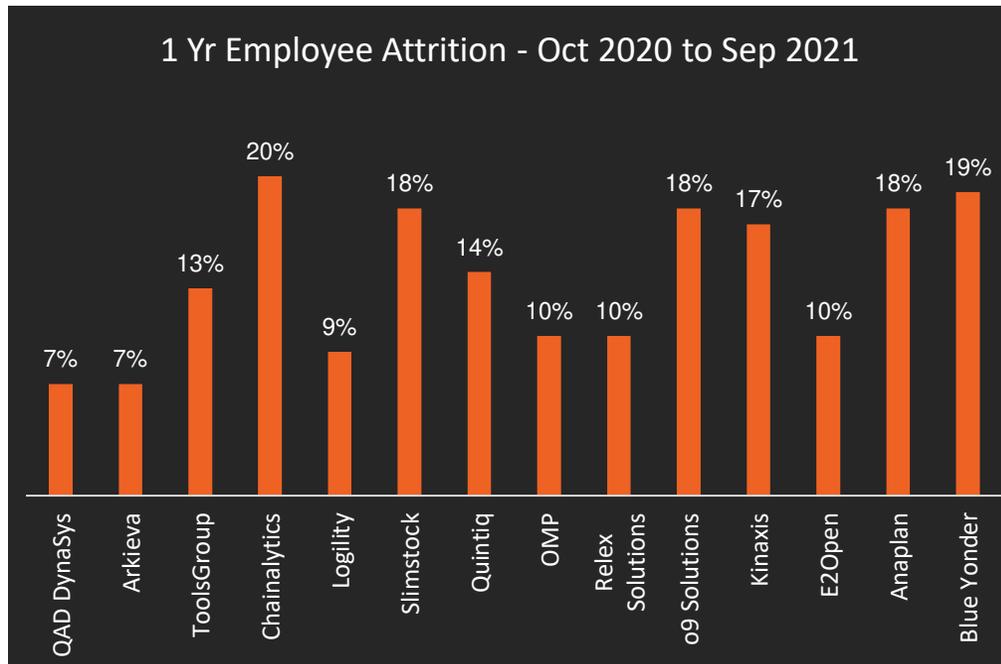

How the key players stack-up across employee strength, new hires and employee growth in consulting services

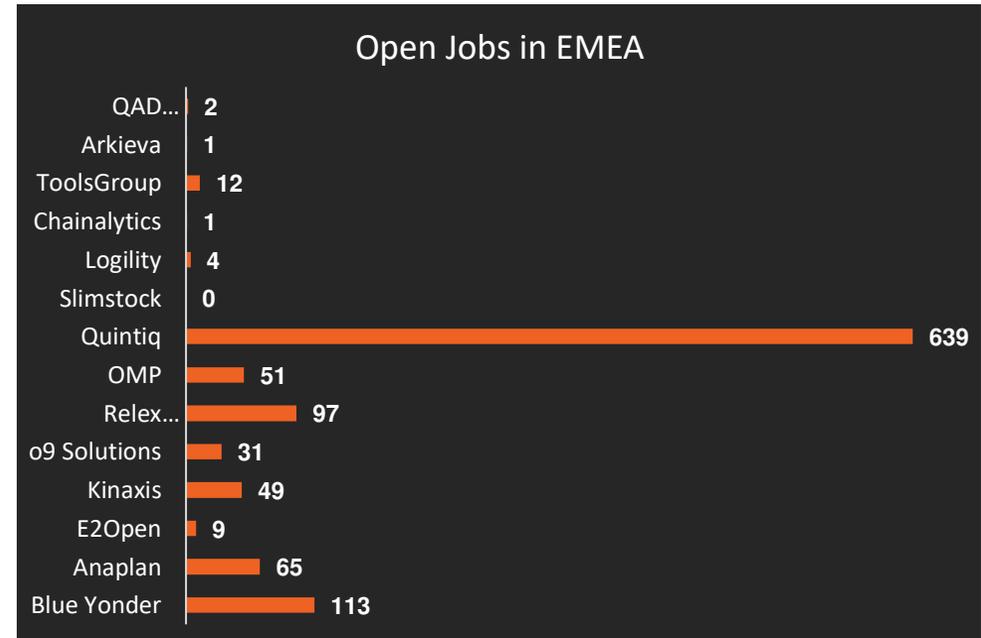

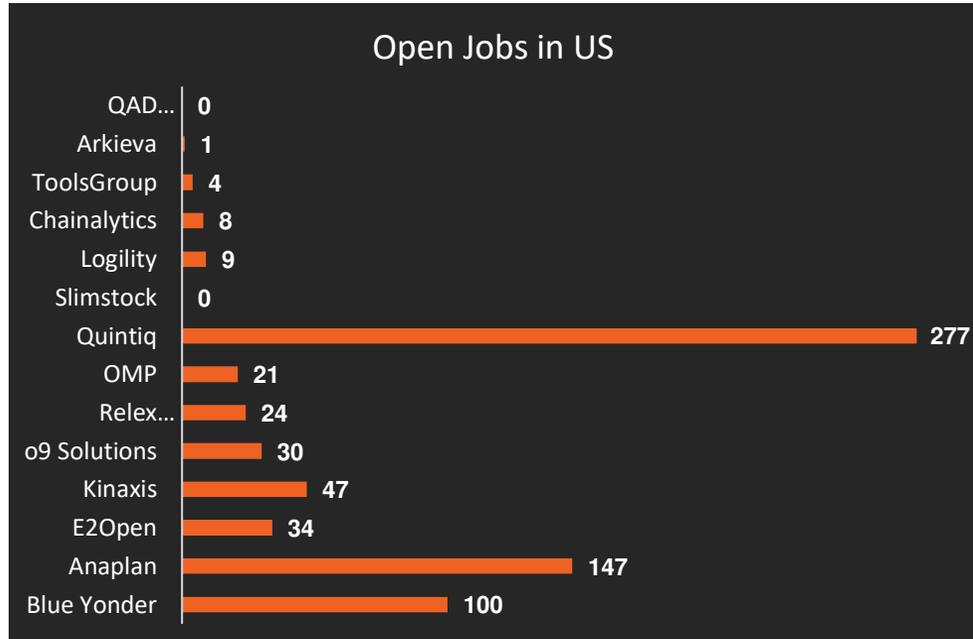

Comparing short term and long-term employee growth

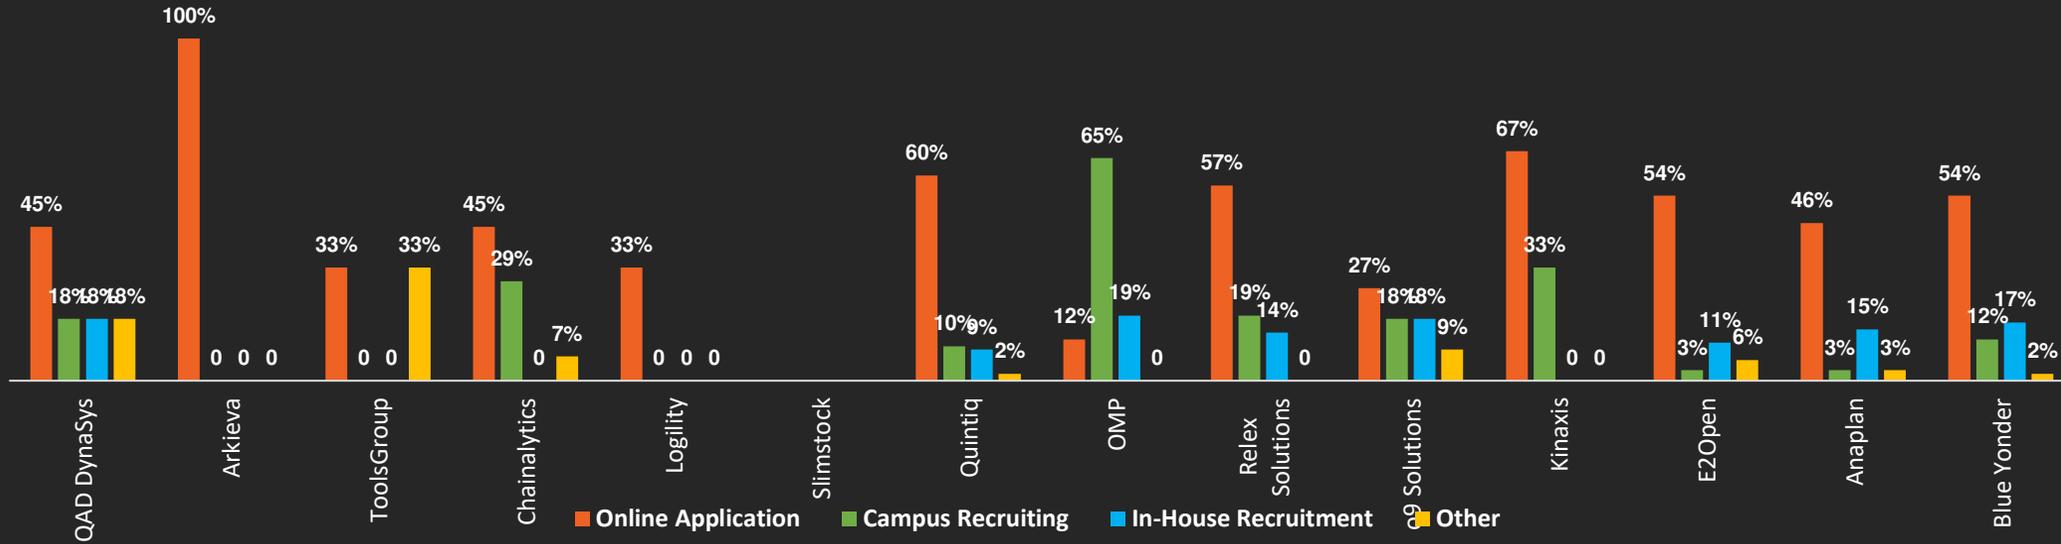

Comparing employee attrition over the past 1- and 2-year period
